I. Assessment of Nutrition Situation among 0-5 years preschoolers

This office is tasked to deliver basic services to the community specifically the prevention & control of malnutrition among 0-59 months or below 5 years old preschoolers. Nutrition office implements programs formulated & mandated by the Department of Health as well as National Nutrition Council to monitor nutritional situation in all barangays. All clients/ patients are required to strictly comply all health protocols for the prevention of transmission due to COVID-19 such as foot bath, wearing of face mask, social distancing and use of disinfectant.
